Examiner Jean,

I send this fax to certify that I have gone through my records and the IDS from May of 2004, although it says page "1 of 2" only had one page. To create this IDS on my computer, I copied the file from another case and forgot to change "1 of 2" to "1 of 1."

This was a clerical error on my part. Please ignore this error. If it helps, I have corrected the error and initialed it on the copy of the IDS in the following page of this fax.

Regards,

Eric M. Dowling
